

# GLENDINNING TV / TELEPHONE CABLE

*Keeping you plugged into the 21st Century*

## KEEPING IN TOUCH HAS NEVER BEEN EASIER !

When it comes to television and telephone equipment for your yacht or RV, most cable manufacturers think one of each is sufficient.

At *Glendinning Marine Products*, we know better! Technology has fast changed the way we do business and recreate. Keeping in touch is more important today than ever before! How many phones or TVs (even computers) do you have? Does your cable have enough connections for your equipment?. *Glendinning* has bundled 1, 2 and even 3 phone connectors with up to 2 television plugs to give you greater flexibility when it comes to connecting your telecommunication devices. Available in either yellow or white cable and lengths from 50 - 100 feet.

## DON'T STOP THERE !

The TV / Telephone Cable can also be outfitted with the *CM-4 CABLEMASTER* to add the convenience of extending and retracting your cable automatically—just flip the switch.
